FIRST MILE LAST MILE CONNECTIVITY (FMLM)

FMLM App for Transporters-CONCOR e-Logistics Transporter App

CONCOR has developed FMLM App for providing logistics solution to customers through a platform where the transporters can register themselves for a long term period of two years. The transporters registered under FMLM get the business opportunity for a particular group of terminals and also get the benefit of associating with CONCOR at various terminals. The empanelment of the transporters will open throughout the year and will be valid for two years from the date of the registration. The registration document is free of cost and may be downloaded from the below link.

The FMLM App for transporters namely "CONCOR e-Logistics Transporter App" has already been released on both IOS & Android platforms and can be downloaded from App Store / Google Play Store / CONCOR Website.
