DRONAGIRI RAIL TERMINAL (CFS DRT)**

TRADE NOTICE

Sub: Revision of Rates in EXIM Stream.

Trade is hereby informed that keeping in view the long term relationship with our esteemed customers, CONCOR has decided to revise Rail freight Tariff, a discount of 25% will be provided for repositioning of empty container from port side CFS's to hinterland terminals for use in export purpose. The balance 75% rail tariff for movement of empty container from portside CFS to hinterland terminal along with BSRF charges will be collected at the time originating station while booking/IWB generation.

In case these empty containers are not used for export stuffing purpose at the respective destinations, then the balance 25% rail freight to be collected at the respective destination terminals during generation of exit permit of such empty containers on non-returnable basis or empty containers out for factory stuffing purpose and not returned to the terminal within the stipulated time.

The stream-wise details of the above revised Rail Freight & Busy Season Rail Freight are enclosed as per **Annexure A**. The revised freight rates are effective from **01.04.2024 and valid till 31.03.2025**.

No shipping Line VDS will be applicable for the empty container moved under above discounted freight scheme.

The above rates include Rail Freight & Busy Season Rail Freight only. Terminal Handling and other charges will be levied separately at the respective terminal. Any port related charges will be born by the customer. The aforesaid annexed rates are on Chassis-to Chassis basis.

The trade is hereby requested to kindly take note of the same.
